**Synod Pathway invitation from Pope Francis:** Next stage... As parishes, schools, organisations and individuals across the Archdiocese have now submitted their responses, a new phase of the Diocesan process begins. Canon Paul Fitzpatrick is coordinating a project of gathering and reading the responses and is sharing that task widely to get the most out of the opportunity. From a parish perspective, it has been really interesting to read some of the feedback and it is intended that we can look in more detail at what people have said so that we can respond in due course and incorporate changes.

**Prayers for our Parish Community:** Please keep in your prayers our parishioners who are sick and housebound. Please pray for the repose of the soul of Patrick Gorman.

**Walk With Me booklets and calendars:** Please take these home and continue to mark each day of the season of Lent. Although apart we can know that we are praying with others.

**Dates for your Diary:** Although it seems obvious that Holy Week is the week before Easter, in busy lives, it is easy to put dates in the diary for other things when we might be better putting the best things in now so that our diaries don’t become filled with other things.
